SCHOOL OVERVIEW

Just a mile from Lambeau Field, Holy Family has been a go-to destination for faith-based academic excellence on the west side of Green Bay since 1954. Holy Family sits on the campus of St. Agnes Parish, but is the only GRACE school that supports, and is supported by, seven local parishes. That faith connection is evident inside our school as well in our weekly Mass, Eucharistic Adoration, Rosary and prayer services, retreats, and more.

Newcomers to Holy Family often ask what makes our school so warm and welcoming, and different from other schools. The simple answer is the people that make up our school community from faculty and staff to students to parents and even grandparents. Holy Family provides exceptional experiences for our students, both in and out of the classroom. We feature an International Baccalaureate curriculum in middle school where students are provided unique opportunities to not just learn facts, but to apply their knowledge and make real-world connections between their classroom and the world around them.

WE ARE: GRACE:

OUR MISSION

Grounded in our Catholic faith, the Holy Family Catholic School community will educate our students to reach their academic potential while inspiring a passion to be active, lifelong learners. Through Catholic teaching and global awareness, students will learn the great importance of being compassionate, loving and understanding citizens.

HOLY FAMILY

CREATING EXCEPTIONAL EDUCATIONAL EXPERIENCES SINCE 1954

WE ARE: GRACE:

CREATING EXCEPTIONAL EDUCATIONAL EXPERIENCES SINCE 1954

Our faculty consists of a mix of crafty-veterans who share their talent for teaching with their students and with their fellow educators, and energetic new-to-teaching educators that bring innovative ideas, approaches, and pedagogy to their classrooms. Our teachers collaborate & support one another so that we can meet the individual needs of each student.

Our greater school community is made up of both parish and parent support. Our parents head up committees and take the lead on major events and fundraising. Our Site Advisory Council, Home & School Association, and Booster Club work together to create a school year full of great experiences and opportunities for parents to connect while supporting Holy Family. Each of our supporting parishes finds their own unique way of getting involved in the life of the school and inviting the school into their parish.

All combined, the exceptional educational experiences that students get while attending Holy Family and the connections families make while supporting Holy Family create a one of a kind school experience that you won't find anywhere else.
